

# Spring 2017 Dynamites

The Dynamites program is set up for our youngest players

To be eligible a player must be 3 on or before July 1, 2016 for the Fall season or 3 on or before January 1, 2017 for the Spring season

The Dynamites season is from March 25<sup>th</sup> - April 29<sup>th</sup>

Saturday only

## What is the Dynamites program?

- The cost of the Dynamites program is \$70.
- Dynamite players do not practice during the week
- Dynamites meet once a week on Saturdays during their season
- Dynamites are not put on specific teams
  - Kids at this age make friends quickly and we don't want to pull apart kids that have become instant "best friends"
- Dynamites work out for an hour
  - During that time they work on skills and then they are separated into groups for small sided games
- They Dynamites uniform will need to be purchased. - if you do not have a uniform from the Fall be sure to purchase the uniform at the time of registration. Parent will need to provide shin guards, shoes (they do not have to be cleats) and black shorts.
  - The commissioner will let you know how to pick up the uniform once start time gets closer
  - The uniform can be worn for the whole year and even the following year once the player is old enough for our regular league.
- Do not bring a ball with your Dynamites player. They have learned the word "mine" as you know and a lot of time is spent searching for "their" ball. The lead trainer will provide the soccer balls for the session.
- We do not have "coaches" for this age group but instead use paid trainers who have experience working with children at this age.
- Parents can be involved as they like with the training and are welcome to join in, although it is not required.
- As the start date grow closer parents will be contacted via email from the age group commissioner with more information included which session you have been assigned.
  - There are two sessions each Saturday -
    - Session I – to be announced
    - Session II – to be announcedParents are randomly placed in one or the other session. If you need to change just let the commissioner know or if once assigned to a session you need to change for one week please just let the commissioner know so they can properly plan.
